

LISKO VINE LEAVES GREEN EYE BEANS & WHITE BEANS

LISKO Foodstuff is a family owned business located in Larnaca, Cyprus. **LISKO** offers consumers unique products centered around the Mediterranean cuisine.

LISKO range of products includes bulgur, freshly frozen legumes, puff pastry and pasta with halloumi. Over the last decade, **LISKO** has developed a series of frozen legumes and vegetables, reinventing the way legumes are cooked in a Mediterranean household.

LISKO fresh green eye beans and white beans, eliminate the need of presoaking legumes allowing for faster cooking times while capturing all the flavours of freshly harvested legumes.

Our **vine leaves** are freshly frozen preserving their taste, smell and texture. The superior taste and convenience for households, has established **freshly frozen legumes** as one of our most successful lines.
