

Oils&Grains
Co. Ltd.

Across Borders, Actualized.

Welcome to Oils & Grains LLC, established in Egypt in 2010. Propelled by competitors and fueled by innovation, we have rapidly grown into an internationally recognized company.

We specialize in trading vegetable oils and grains, and also boast oil processing facilities where we process, refine, bottle, and brand oil for export.

Our in-depth knowledge of soft commodities international trading market has enabled us to build a trusted network of top-class suppliers across the globe and we count on these trusted partners to source high quality products for customers.

We also pride ourselves on providing our customers with the most exceptional levels of customer service, giving each and every one of them ongoing support, industry insight and prompt responses to any enquiries.

Our Purpose
