

VILACONIC JOINT STOCK COMPANY

Bring the flavor of Vietnam
to the world

[Learn More](#)

A close-up photograph of a hand holding a green rice stalk. The background is a blurred field of rice plants, creating a sense of depth and focus on the hand and the stalk. The lighting is bright and natural, highlighting the textures of the rice grains and the skin of the hand.

ABOUT US

DISCOVER VILA CONIC'S STORY

From the beginning

Established since 1997, Vilaconic Group is one of the largest manufacturers and suppliers of agricultural products from Vietnam. After many years of experience, we have constantly affirmed brand position in the market and trust with customers. At present, our products have been exported to many countries and regions, along with our extensive domestic distribution system. We are constantly recognized with the title of Vietnam's export reputation by the Ministry of Industry and Trade Vietnam.

The vision

To become the top brand in the rice, spices & seafood industry and deliver the Flavor of Vietnam to the world.

MR. HOANG VAN NGOAN

The president of VILA CONIC GROUP

The mission

- Create a difference, drive value and inspire confidence and loyalty to customers.
- Deliver rational returns and maintain sustainable company growth for stakeholders.
- Cultivate a warm and proactive environment for excellent employee development and welfare.
- Improve farmer's lives through partnership with them and make a positive impact on the community.
- Committed to green farming practices to protect the environment sustainably.

Trust

We uphold and nurture integrity in both internal and external aspects of our business.

Innovation

We use creativity and insight to provide solutions that enable us to maximize opportunities and manage risks in making positive changes for the company

VILACONIC CORE VALUES

Professionalism

We consistently deliver quality and value every day.

Teamwork

We combine our strengths and efforts with customer, suppliers, colleagues and community in order to reach the common goal of progress for all.
