

AGRICULTURAL

STANDBY GENERATORS

Taylor Power Systems generator sets are the premiere agricultural generator in the industry. Taylor Power Systems designs, engineers, and manufactures a full line of American Made agricultural generators that give farmers an advantage when there is a power failure. When every second counts, farmers can rely on Taylor power Systems agricultural generators to provide reliable emergency power.

Standard Features:

- Heavy-Duty Industrial Diesel Engine
- Brushless Rotating Field Generator With Class "H" Insulated Rated, Single Phase 120/240 Volt Standby Duty, Pmg Standard On Units Rated 80kW And Larger
- Analog Control Panel Displaying AC Frequency, Percent of Load, Hour Meter and a Toggle Switch that Switches Generator from "Off" to "Manual" to "Auto" Positions
- Separate Oil Pressure and Water Temperature Gauges
- "Manual" Key Override and Bypass Switch that Allows you to Start the Generator Set Manually in the Event of a Control System Failure
- Engine Block Heater
- Heavy-duty Steel Base with Integral Vibration Isolators
- Oil and Coolant filled
- Factory Test Prior to Shipment
- Engine Mounted Spark Arrestor Muffler
- Flexible Fuel Lines
- Battery Rack and Cables
- Battery Charger
- High Ambient Unit Mounted Radiator
- Owner's Manual

Warranty:

All Taylor Power Systems Generator Sets carry a Two-Year Standard Warranty on all components against defects and workmanship.

SERVICE YOU CAN DEPEND ON

Taylor Sudden Service is the parts, service, repair, and rental provider for all Taylor Power Systems Generators. Backed by a network of parts and service centers, a nationwide dealer support organization, and factory-trained service technicians, Taylor Sudden Service is committed to providing the best parts and service support in the industry. Taylor Sudden Service provides on-site repairs and service for all major brands of industrial & commercial generators. Our technicians are factory trained on Taylor Power Generators and the latest standby power systems. For information on Taylor Sudden Service, visit: www.taylorsuddenservice.com
