

eCompliance

| EPA Clean Air Act Tracking

eCompliance allows you to securely document Freon inventory, recovery, disposal, maintenance, and reclaiming as required by the EPA's Section 608 of the Clean Air Act.

Corrupt/Status	Name	Status	Full Charge	Refrigerant	Annualized Leak Rate	Holding Average	YTD Damage	Last Leak Added	Actions
12345678	Roof Top 321	Normal Operations	29.90	R22	25.00%	0%	0%	2021-06-08	[Icons]
91089	Chiller 1	Normal Operations	1080.00	R11	4.80%	0%	0%	2021-04-06	[Icons]
1234	Roof AC	Normal Operations	35.90	R22	0%	0%	0%	2020-10-27	[Icons]
	Roof AC	Normal Operations	35.90	R22	100.00%	0%	0%	2020-10-27	[Icons]
	Roof Top 1	Normal Operations	75.90	R22	100.00%	0%	0%	2020-10-23	[Icons]
#020	Large Ice Cream Processor	Normal Operations	142.00	R22	1263.00%	0%	0%	2020-07-16	[Icons]
Closed System Test 3	Office Cooling #1	Normal Operations	40.90	R508	0%	0%	0%	2020-02-27	[Icons]
#000	Roof Top	Normal Operations	100.00	R22	100.00%	0%	0%	2019-11-04	[Icons]
12345678	Roof Top 321	Normal Operations	17.90	R22	29.41%	0%	0%	2017-11-14	[Icons]
Closed System Test2	Office Cooling #1	Normal Operations	53.90	R22	66.04%				[Icons]

Managing and remaining compliant with your freon refrigerant has never been so easy.

Track each technician and manage their accessibility, certifications and other supporting documents.

Automatically receive leak notifications, leak rate calculations, and threshold limit alerts.

See current performance, number of leaking systems, chronically leaking systems on the Corporate Dashboard.

Maintains centralized repository of major recordkeeping requirements.

Guides and automates federally mandated procedures.

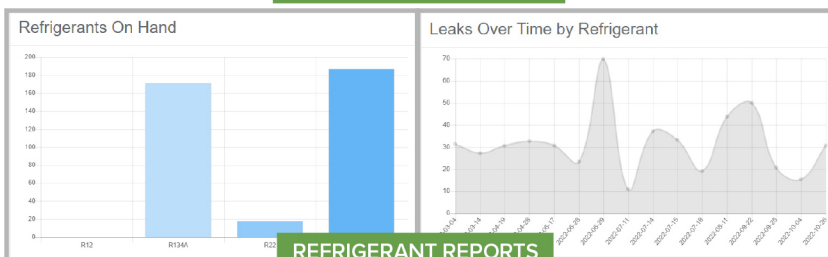

Continually updates to comply with best practices and federal regulations.

Reduce your environmental impact and stay ahead of the game in the ever-evolving world of sustainability. Start making a positive impact on the environment and take control of your Freon management with eCompliance today!

STAY COMPLIANT, STAY SUSTAINABLE

Status	Annual Rate %	Ref Added	Ref Source	Leak Source	Resolution
Leak Repair	285.60	100.00	Facility Inventory	Valve	Replace valve
Initial Verification	0.00	0.00	---	---	---
Leak Repair	1253.86	200.00	Facility Inventory	999	88
