ABOUT COMPANY

At Akay Industries, we are your premier source for high-quality food colors and pigments, dedicated to bringing vibrant solutions to the global food industry. With a steadfast commitment to excellence, safety, and innovation, we produce top-grade products that meet and exceed the stringent requirements of the food sector. Our state-of-the-art facilities and rigorous quality control processes ensure that every batch of food colors is pure, consistent, and safe for consumption.

As a global supplier, Akay Industries exports premium food colors to various regions across the world, including Dubai, Africa, European countries, Bhutan, and Australia. Trusted by leading brands, we have built a reputation for delivering reliable and high-quality products that add value to every creation. Our pigments are crafted to bring vibrancy and appeal to a wide range of food products, enhancing both the visual appeal and consumer experience.

At Akay Industries, we stand as a beacon of quality and reliability in the food color industry. We are driven by a passion to add color to the world with products that make a difference. Experience the Akay Industries promise of excellence and let us be your trusted partner in bringing color to life.

OUR STATEMENT

OUR VISION

To become the leading global provider of food colors and pigments, recognized for our commitment to quality, innovation, and sustainability. We aspire to set new industry standards by delivering safe, vibrant, and high-performing products that elevate food experiences across the world. At Akay Industries, we envision a future where our products add value to every creation and contribute to a colorful, healthier, and more sustainable world.

OUR MISSION

Our mission is to provide top-quality food colors and pigments that meet the highest standards of safety and excellence. We are dedicated to leveraging cutting-edge technology and rigorous quality control to deliver products that exceed customer expectations. By fostering strong relationships with our global partners and staying true to our core values of innovation, reliability, and sustainability, we strive to enhance the visual appeal and quality of food products worldwide. Our goal is to be a trusted partner for the food industry, contributing to a vibrant and sustainable future.

WELCOME MESSAGE

At Akay Industries, we are committed to transforming the world through vibrant, high-quality food colors and pigments. As the Managing Director, I am proud to lead a team dedicated to delivering excellence across global markets, including Dubai, Africa, Europe, Bhutan, and Australia.

Our state-of-the-art facilities and rigorous quality control ensure that each product meets the highest standards of safety, purity, and consistency. Trusted by leading brands, we focus on innovation to create pigments that not only enhance food products but also elevate consumer experiences.

Our mission is to be your trusted partner, adding color to the world with products that make a lasting impact. As we continue to grow, our commitment to quality and reliability remains at the core of everything we do. We invite you to experience the Akay Industries promise today.

Warm regards,

Naman Shah

Managing Director, Akay Industries

MANUFACTURING & INNOVATIONS

At Akay Industries, we are committed to excellence in food color manufacturing. Our current production capacity stands at **300 tons per month, and by 2025-2026, we will expand to 500 tons per month** to meet growing market demands. With cutting-edge technology and strict quality control, we ensure high industry standards in every batch.

Innovation drives us forward. Our R&D team continuously works on new formulations, process optimization, and quality enhancement to deliver superior products. **We invest significantly in research** to improve color stability, purity, and regulatory compliance, keeping us ahead in the industry.

At Akay Industries, we don't just manufacture food colors—we pioneer innovation for a **brighter, more vibrant future.**
