

**AL BATTa COMPANY
FOR INDUSTRY & TRADE**

Who we are

Al Batta food industries Est started its work from Syria with Mediterranean bay leaves about 25 years ago. Now we are located in both Syria and Egypt and have another branches in UAE, Turkey, Lebanon and we are working to expand to other countries. We are exporting (natural dried, machine dried) bay leaves worldwide. All bay leaves are picked carefully and sorted by all conditions of leaves, size, and color.

1- Natural Dried Bay leaves:

We dry them in natural method (sun heat)

2- Machine Dried Bay leaves: We use hot air method with new machines.

We can provide the bay leaves in 25 kg and 50 kg jute sacks . We are ready to supply you in other conditions (type, weight of bags) according to your order.

We are engaged in exporting our products, with our wide range of good quality products and reasonable prices, our laurel leaves are widely distributed.
