

# Tiramisù

Immerse yourself in the elegance of our **Sicilian Marsala** tiramisù, an unforgettable combination that celebrates the meeting between the Italian tiramisù tradition and the authenticity of Sicily. This exclusive version of tiramisù enhances the authenticity of Sicilian products, praising the **Italian mascarpone** which gives a premium consistency to the recipe.

# Cannolo

**Sicilian ricotta**, soft and creamy, is the essence of traditional island desserts. In our deconstructed cannoli, the crunchiness of the shell meets the enveloping sweetness of fresh ricotta, enhanced by a touch of orange zest, creating an explosion of flavours.

# Pistacchio

The enchanting pistachio, Sicily's green treasure, is transformed into a cream full of pure delight. With a light base of sponge cake, this culinary delicacy is wrapped in a rich blanket of **Sicilian Pistachio** grains.
