

# MANUKA 500+ HONEY STICKS

Pure Origins Australian MANUKA Honey is sourced from bees that collect nectar from the native Manuka flower in Australia. These convenient Manuka honey sticks are perfect for various uses, including natural sweeteners, energy boosts for pre- or post-workout, soothe the throat and topical skin treatments. Compact and portable, they cater to the retail, health, wellness, beauty, travel and gifting markets.

Each retail packet contains 9 (12g) sticks of Australian 500+ MGO rated Manuka honey, lab-tested for authenticity and potency, offering a pure, natural alternative to synthetic energy gels and chemical-filled products.

\*MGO stands for methylglyoxal, a natural chemical compound found in manuka and is responsible for manuka honey's antibacterial, antioxidant, and anti-inflammatory properties
