*The countries where H&G exported products

About us

H&G is handling all types of foods

Since 2012, We have been exporting to about 21 countries including Asia, the Middle East and Europe all starting with Russia and we have our own brands, Lovint and ProBunsik which we were exporting.

We source products not only from major products like Nongshim, CJ, DaeSang and Sajo, we supply the products from small or medium-sized enterprises. We provide labeling services, consolidated container services and OEM/ODM manufacturing according to your needs.
