CERTIFIED QUALITY WITH HIGHEST STANDARD FOR SAFETY & SUSTAINABILITY

We take pride in collaborating with quality producers, compliant with established and recognized standards, such as HACCP, ISO22000, GMP, BRC, IFS, MSC, ASC, BAP, GAP, BSCI, ORGANIC etc.

- **Reliable Quality**

Our partners expect the highest standards of compliance with food standards. Our partners undergo a thorough screening process and certify their compliance with external auditors.

- **Sustainable Business**

We believe in the value of long-term business relationships with clients and partners. Moreover, our production partners place importance in sustainability for conducting business from social and environmental aspects.

HOW WE WORK

Supplier identification

Supplier capability analysis, audits and selection

Sample qualification, negotiations

Quality control and production visit

Supply chain management following shipment FCL/LCL

PRODUCT & SERVICE OFFERING

We take pride in collaborating with quality producers, compliant with established standards and certifications for our extensive product offering in factory or private label:

Customized packaging solutions

Our clients have the choice to source packed items in the factory label or with a private label. For each packaging solution we are able to offer sustainable options.
