OUR STRATEGY

VACUUM FRYING TREATMENT

It is a 100% healthy Korean shiitake mushroom chip
by vacuum frying treatment to maximize the taste and nutrition of the original shiitake mushroom and reducing oil by more than 80%.

We are making our food
with belief in healthy and delicious
Shiitake mushrooms

OUR AIMS

We aim to process shiitake mushrooms healthy and deliciously so that even those who could not eat them can eat them.
Our mushrooms have a deep aroma and taste in the sunshine and wind.
