COMPANY PROFILE

Quanzhou zhongcheng aquatic products co., ltd. is a modern aquatic product enterprise specializing in the procurement, processing, sales and distribution of seafood products. Based in Quanzhou, Fujian, relying on the advantages of coastal location, the company is committed to providing consumers with fresh, high-quality and safe seafood products to meet the diversified needs of catering enterprises, supermarkets and individual consumers.

Major business

The company specializes in all kinds of fresh, frozen and deep-processed seafood products, covering hundreds of varieties such as fish, shrimp, shellfish, crabs and cephalopods. The products are sold to major cities across the country and have established long-term and stable cooperative relations with many catering chains and fresh e-commerce platforms. Through strict quality control and cold chain logistics system, we ensure the freshness and safety from the source to the table.

Enterprise advantage

Direct mining at the source: cooperate with high-quality fishermen and breeding bases along the coast to reduce intermediate links and ensure the cost performance of products.

Quality control: implement international food safety standards and equip with professional testing equipment to ensure that each batch of products meets the hygiene requirements.

Efficient distribution: self-built cold chain warehousing and logistics, support customized processing and rapid distribution, and ensure product freshness.

Integrity management: take "sincerity" as the concept, adhere to the customer first, and provide personalized procurement solutions and after-sales service.

Future vision

Quanzhou Zhongcheng Aquatic Products will continue to deepen the seafood industry chain, promote product innovation and brand building, and strive to become a trusted aquatic product supplier for consumers and contribute to the "healthy dining table".
