

Nutty and sweet
red bean flavor

The chewy and
soft texture of **rice**

The aromatic fragrance of
manggae leaves that
enhance the overall taste.

Utilizing the patented technique of 'Non-hardening Rice Cake Production,' it retains its chewiness even after thawing without the use of preservatives.

Manufactured in an HACCP-certified facility, ensuring stringent hygiene management for safety.

Storage Instructions

- Upon receipt, immediately store the product in the freezer or refrigerator for 1 to 2 days. Do not refreeze products that have been thawed for safety.

- For extended storage, keep the tteok in the freezer. Allow it to naturally thaw for 1 to 2 hours until it becomes soft before consuming.

- Adequate ventilation can harden the rice cake. Store in a sealed container and avoid using a microwave.

- Enjoyment Tip: Similar to ice cream, it's even more delicious when slightly chilled or lightly pan-fried.
