

Mango Grapefruit Coconut Jelly

315ml 12Cans/Box

Mango puree is made from Taiwan's locally produced mangoes and India's delicate Alphonso mangoes, with a rich coconut milk flavor that gives the mango drink a sweet, smooth and dense taste. A hint of red grapefruit adds a unique citrus flavor. The addition of smooth and chewy coconut gives it a rich flavor.

Lychee Grapefruit Coconut Jelly

315ml 12Cans/Box

Crisp, juicy, sweet and slightly tart lychee is the main focus, with a refreshing floral and fruity flavor, accented by a hint of red grapefruit, adding a unique citrus aroma to the overall flavor. The addition of smooth and chewy coconut gives it a rich texture.

Green Tea Yogurt Popping Boba

315ml 12Cans/Box

Jasmine-scented green tea as the base, combined with the sweet and sour flavor of lactic acid yogurt, blended in the optimal ratio, for the inspiration of Taiwan's popular creative beverages. Add lychee pops, bite into the mouth, the lychee flavor instantly explodes in your mouth.

Lemon Black Tea Popping Boba

315ml 12Cans/Box

A base of rich, full-bodied Assamese black tea. With the slightly acidic flavor of lemon. The result is a refreshingly sweet and refreshingly fruity tea with a hint of lemon. Add lychee popping beads, bite into the mouth, the lychee flavor instantly burst in the mouth.

According to legend, “Shennong tasted all kinds of herbs”. In ancient times, Shennong taught people about medicine and farming, and was regarded as the legendary god of agriculture and medicine, also known as the Great God of Shennong, the King of Medicine, the King of Grains, and the First God of Grains. Shilin Shennong Temple was founded during the Kangxi period of the Qing Dynasty, with a long history and culture, and is now a declared monument in Taipei City. The temple is dedicated to Shennong the Great, the God of Fude. With the most pious heart, natural grains and cereals, we hope to bless peace, health and abundance of grains and cereals through the blessing of Shen Nong Da Di.
