PROTEIN NUT SPREAD & SNACK

with mini grissini on the go!

Out of passion for good nutrition...

Good ingredients: **hazelnuts, cocoa, whey protein concentrate, maltitol, and healthy fats. No unnecessary extras!** **Whey protein concentrate** contributes to the building of muscles and supports their regeneration. **Maltitol** means 2x fewer calories, protection against tooth decay, and a lower glycemic index. **Shea butter and rapeseed oil** are an irreplaceable source of unsaturated fatty acids and phytosterols important for health. 2 options of the product: spread or snack with crispy mini grissini.

A TASTY CHOICE FOR A HEALTHY SANDWICH

Elements of a balanced diet: vegetables and pea protein

hummus with
nigella seeds

vegan

high protein

only natural
ingredients

Pea protein makes you feel full for longer

Protein Hummus with nigella seeds and **Protein Veggie Paste with smoked pepper** are delectable spreads, perfect for enhancing the taste and healthiness of your sandwiches. Both spreads are crafted using chickpeas as the base, along with thoughtfully selected additions to create a delightful flavor profile. We've enriched these spreads with easily absorbed and non-allergenic pea protein, which reduces appetite and provides a longer-lasting feeling of fullness.
