# ALOE VERA DRINK

## MANGO

The product with perfect balance of mango's unique sweetness and premium aloe. The product with a refreshing after-taste.

## ORIGINAL

Savia's major product with the richness of aloe gel. Over 10 million bottles [500ml] are supplied overseas every year.

## POMEGRANATE

This product is ideally combined real aloe vera gel pulp with pomegranate flavor. Enjoy the great flavor of your most favorite fruit.

## PEACH

This product blends the unique flavor of peach and fresh aloe. Sweet and sour taste makes you pleasant.

## STRAWBERRY

This is one of the most popular products combining the tanginess and strawberries and aloe. It has great flavors and is easy to enjoy.

## PINEAPPLE

This product harmonizes the invigorating taste of pineapple with aloe. Enjoy it cool for better taste and keep your mouth refresh with it.

## ZERO

This product is free of sugar, for any who is watching the calories or on a diet can enjoy it.

## WATERMELON

A product of Savia to lead your daily time refresher by its plenty of chewy and fresh aloe pulp and occurring watermelon flavor for taste.
