**MANUFACTURER OF
THE FINEST
COCONUT PRODUCTS**

TROPICAL NUTRITION CO.,LTD.

Manufacturer and distributor of world plant-based coconut products

Tropical Nutrition Co., Ltd. was founded in 2001. achieving several recognitions for its high quality. Always in search of perfection, Tropical Nutrition has made a lot of inventions to achieve the perfect oil. We buy our raw materials from Organic certified plantations, where coconut trees are grown naturally without using any toxic chemicals.

We are certified 100% organic, Our oil is produced from fresh raw coconut milk by our Author's Centrifugal Separation and Vacuum Evaporation without heating so that the moisture content is benchmark and only 0.05 g/100 ml. It is pressed and packed on the same day. Our processing prevents oxidation and gives freshness and the best premium quality with the longest shelf life. Such oil is truly pure, raw & crude, and unrefined with the highest biological value, the so-called "living oil".

This will bring health benefits and will be a godsend for gourmets. It can also be used for body and hair care, cooking, baking, cosmetics, hygiene, and superfood.
