

About

Tuna Paradise

We are an experienced and responsible seafood processor. We believe in Sustainability, Food Safety, Business Ethics and Customer Service.

Spanning over a land area of 6400 square metres, we are located just off Thailand's sunny holiday paradise, better known as Phuket Island.

Regardless of which part of the world you may be in, being a stone's throw from Phuket's international airport, we are able to deliver fresh seafood to you by air.

Our -60 degree Super Freezers enables us to provide you with the highest quality of frozen seafood processed and packed under international HACCP standards.
