OUR SERVICE

We provide crispy dried fruit products to consumers such as dried jackfruit, dried sweet potatoes, dried bananas, dried oranges,... Specializing in exporting products to countries such as Cambodia , India, America, Korea, China, Thailand,...

We have been operating for 4 years in this field and are planning to expand more products to meet customer needs in an increasingly volatile market time like now.

OUR STAFF

The staff works professionally and quickly. Always be fully equipped with knowledge and safe hygiene and labor protection equipment in the workplace.

About us

OUR HISTORY

Viva Foods is a built factory in Dong Nai, a very popular area reputation for agricultural quality and output

OUR MISSION

Viva controls production raw materials and has cost advantages production, bring price become reasonable for client.

OUR FACTORY

The production management process at the Viva Foods factory meets high standards of quality and food safety.

Large production capacity, stable output, the factory produces over 21 tons/day.

OUR PRODUCTS

CRISPY DRIED JACKPACK

Origin An Giang, the largest jackfruit growing area in the Mekong Delta. Production based on the latest vacuum frying technology. Products are available in the US, Thailand, India, Cambodia, China,...

Jackfruit is bright yellow, has even segments, not broken. Jackfruit is dried but still retains its characteristic delicious flavor. Drying using Japanese technology, ensuring safety and hygiene.
