## Coconut Milk

**Monkey Island coconut milk is a recipe naturally flavored with fresh coconut water.**

From fresh coconut meat squeezed with coconut juice, this makes the coconut milk greasy and get even more naturally sweet from the coconut water, ideally suitable for all types of cooking. A portion of the proceeds from the purchase will be donated to Wildlife Friends Foundation (WFFT) to resolve issues related to monkey abuse in Thailand. This organization helps attacked or injured monkeys and treats them in a suitable environment before returning them to nature.
