## About us

Around two decades ago, we started from just a small shop in the local mandi. We now have a robust local sales network in over 3 states and export 60 variants of rice to over 30 countries. Our dynamic leadership team consists of Mr. Vikas Garg (Director) and Mr. Anshul Garg (Business Head, Overseas).

We handpick our rice paddy from trusted local farmers and employ stringent quality checks and balances. These then go through further process of cleaning, sorting and ends with premium quality packaging. We have successfully established the organization as a government recognized star rated export house with an annual turnover of 2 billion. Moreover, we have a track record of 100% customer satisfaction with no issues in quality and supply.

We regularly exhibit in world's most prestigious food exhibitions such as Gulf Food (Dubai, UAE), Anuga (Cologne, Germany), Sail (Paris, France), Fine Food (Sydney, Australia), Indus Food (Delhi, India). With our exclusive brands – Jaisal Heritage and Little India, we envision to take the fragrance of our India's pride – Basmati Rice across the globe.
