I FARM STATUS

6th industrial certificated business

We are operating our own mulberry farm with the land size of 5,000 pyeong that is certified as farming village fusion industry business certificate. We can produce about 5,000 tons per year.

6th industrialcertificated business
Ministry of Agriculture, Food and Rural Affairs

Low temperature storage

As the low temperature storage was constructed in February 2015, we are now able to freeze harvested mulberry at very high speed and store it in the low temperature storage, so that the taste and nutrition can be preserved until the processing phase.

Experiencing mulberry farms

You are always welcome to experience Ebiche's own mulberry farm. You can learn more about our agricultural products and trust our products even more.
