F&N

F&N Beverages Shah Alam, Malaysia

From a humble beginning of a single factory outlet with 20 employees, F&N Beverages Manufacturing Sdn Bhd (FNBM) is now Malaysia's largest soft drinks manufacturer who operates 3 production plants and 10 warehouse centers. The plant in Shah Alam is the biggest. The multi-million dollar facility occupies over 31 hectares of land and has 12 production lines. This includes PET bottles lines, tetrapack lines and can lines which are able to produce at the speed of 1,500 cans of drinks per minutes.

F&N Dairies Pulau Indah, Malaysia

The F&N Dairies Pulau Indah plant - the largest dairy condensary in the region and one of the largest in the world - built at a cost of RM350 million and equipped with the latest technology and automation for round-the-clock operation. The highest standards of hygiene and safety are adhered to under stringent quality and environmental management principles.

The plant is situated on 37.4 acres of land, located in the Selangor halal Hub in Pulau Indah. This strategic location reinforces F&N's halal credentials to penetrate the Muslim-majority territories of the Middle East, Indonesia and Africa as well as other halal markets.

Total canned milk capacity is at an initial quantity of 1.5 million cans per day or 500 million cans annually, supporting 14 million cases per annum of canned milk products which are fed into F&N's national distribution network and export.

F&N Dairies Rojana, Thailand

F&N Dairies (Thailand) Limited (FNDT) began operations on February 1, 2007. It is a market leader in the Sterilised Milk segment (under Bear Brand) and Evaporated Milk (under CARNATION® Brand) in Thailand. It holds a leading position in condensed milk (under CARNATION® Brand).
