Green Pot Tea is a dynamic OEM manufacturer of Matcha Latte and creative beverage premixes with a fast, flexible service for food & beverage service providers and manufacturers world-wide.

We produce, formulate, design and co-pack a variety of products at our Malaysia manufacturing facility with HACCP, GMP and Halal certifications.

We offer our unique style, expertise and openness with customers, from in-house food development teams to distributors, in co-developing new products for their markets.

Our mission is to lead and be led by our customers' needs, be a difference-maker in the quality of our service and products, and be recognised by the quality of our people.

## OUR SPECIALITY

- Our Matcha Latte drinks are distinctive, authentic and delicious. The taste is reminiscent of a traditional matcha tea prepared by Japanese tea-masters, and yet for us, we present in a modern, delightful way. Our Matcha Latte creates a creamy and flavourful drink unlike any other.
- For those interested in exploring the endless possibilities with our Matcha Latte series, talk with our team to request a sample today. Experience the vibrant taste firsthand, and discover how it and our OEM solutions can expand your food and beverage product range.
