About Us

Established in 2013, MRMC FOODS PRIVATE LIMITED is situated in the Village Waan, Ferozepur, Punjab. We are an ISO 22000 : 2005, ISO 9001: 2008, HACCP FSSAI, and GOVT. RECOGNIZED STAR EXPORT HOUSE (RICE MILLERS & EXPORTERS) certified company. Our office and mills are equipped with the most futuristic machinery. With 10 years of experience in the rice business, which is a necessary food for half of the world's population, our vision is to provide aromatic Indian Basmati and Non-Basmati Rice to people worldwide.

Mission

Our mission is to make the world aware of the actual taste and aroma of pure Basmati rice. Our beliefs are our greatest strengths and have contributed immensely to helping us emerge as one of the world's best Basmati rice millers and exporters. Taking forward the legacy of Basmati rice in India, our beliefs have reinforced us throughout the last century and more. Reaching new heights and breaking new grounds is the motto of MRMC FOODS.

Growing With Our Ideology

MRMC FOOD'S vision is to be the most preferred company of choice for all our customers, in India and abroad, and to continuously provide service excellence that surpasses their expectations. MRMC FOOD'S mission is to create a versatile product range, ensuring prompt and seamless delivery of products and services to customers, continuously improving all our products, enhancing the competency and knowledge of our people, and delivering value to our stakeholders. MRMC FOOD'S ideology lays great stress on the fundamental values of integrity, quality, ethics, commitment, and environmental consciousness.

Why "MRMC FOODS"

Firstly, MRMC FOODS loyal to quality and that's why we have access to the world's infinite customers. MRMC FOODS' has all the essential certifications which are vital for the export of basmati rice through- out the world. 1121 SELA, 1121 STEAM, 1509 SELA, 1509 STEAM, SUGANDHA SELA, SUGANDHA STEAM, SHARBATI SELA, SHARBATI STEAM, PR11 SELA, PR11 STEAM, IR 64 SELA, IR 64 STEAM, SONA MUSSORIE are our best leading varieties.

Infrastructure & Factory

To be the best, one should have nothing but the best infrastructure. With a vision of producing unparalleled quality rice and making it commercially available at the most competitive price, it takes extensive planning and technological support. We have achieved this by establishing technological tie-ups with SATAKE Corporation, Japan, and BUHLER UK. We process 240 tons of paddy per day using fully automatic parboiling process plants.
