

Overseas Food Industries focuses mainly in the manufacturing sector to fill the gap and meet the high demand of our clients of excellent quality food production in the market such as: All kinds of dried milk powder, Chips and Puffs, Spices and legumes, Sugar, Salt, Rice, Pure palm oil, Tea, Nuts, Tomato paste, Saffron and Coffee and other foodstuffs.

In addition to the production of foodstuffs, the automated lines in our factory have been expanded to pack foodstuffs in different sizes and weights of packages to be suitable for consumers.

Our vision is to expand globally, and our aim is to provide our customers with diversified products made with the best quality of ingredients that meet the demands of the customers and the market as a leading quality manufacturer.

Today, Overseas Food Industries operates under the brand name "Soft Gold". After years of hard work, we are proud of the position that we have reached by creating a balance between the quality of our products and the desire for success and continuous growth.

We are Overseas Food Industries, We are glad to have
you as our customers.
