With a rich history in the packaged food trading industry, we have established ourselves as a formidable player, catering to both domestic and international markets with an exceptional range of renowned international brands and esteemed suppliers.

Established in 2008, Par Empire is a company rooted in reliability and excellence. Founded and led by Mr. Dushyant Motiani, a visionary entrepreneur with deep family ties within the renowned Choithram group – one of the Middle East's largest supermarket chains.

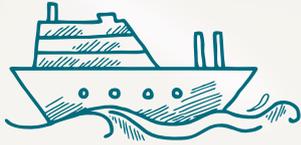

The Founder

Mr. Motiani's journey began after completing his business degree from the prestigious Ohio State University in the United States. He kickstarted his career with Choithrams, where he honed his skills and passion for the business. Following this, he gained invaluable experience during his time with JP Morgan Bank.

Armed with a strong pedigree and an unwavering determination, Mr. Motiani ventured into creating Mindfood Impex in India. With great success and boundless ambition, he extended his endeavors to the bustling metropolis of Dubai, opening new horizons for Par Empire.
