

The Group of companies "Russian Caviar House" has several companies under its umbrella for manufacturing, processing and eco-farming our own herd of sturgeon weighing more than 400 tons. We have been operating since 1978 and have become the largest caviar-producing company in Russia owning 2/3 of the local market. RTF Diana Fisheries - our biggest manufacture facility is CITES certified and registered in FDA, has annual production up to 24 tones. More importantly, we are known for our meticulous processes having grown sturgeons, chipping them and providing individual care in the pristine waters of the river Suda. This lets us produce the highest quality caviar on the market.

The most significant clients of our company in the local market are: the Kremlin, the State Duma of the Russian Federation, the Federation Council of the Russian Federation, the Central Bank of the Russian Federation, the Federal Security Service of the Russian Federation, Sberbank of Russia, OAO Lukoil, RAO Gazprom, NK Rosneft, JSC "Russian Railways" and many others. Moreover, we supply our caviar even to the ISS for astronauts. In addition, our products are represented in all federal networks, such as Perekrestok, Magnit, Azbuka Vkusa, Auchan, Okey, and many others. Our caviar is also widely represented in restaurants in Moscow and other major cities of Russia.

Over the past several years we have expanded our international exportation to include: Singapore, UAE, New Zealand, Tanzania, Venezuela, Serbia, Kuwait, Oman, Australia, China, South Korea and Canada. We also have experience delivering caviar to a dozen other countries around the world.

A few points to draw your attention:

- Our company has a whole product cycle – from growing fingerlings to harvesting caviar from grown sturgeons and packing it into tins and jars ready to sell.
- Our caviar is manufactured in accordance with the highest international standards. We monitor the storage conditions of our production from production to delivery to our customers.
- We provide a full package of documents to certify the quality of products.
- Russian Caviar House is the only caviar-producing company in Russia which has Halal certification
- RTF Diana under Russian Caviar House Group is the only ECO-certified sturgeon farm in Russia
