

YOUR FOOD, OUR FOOD

**ABOUT US :**

**Your Food, Our Food** is our principle, so the company delicate in making sure that product manufactured by us will have high quality that customers appreciate. Our business is mainly original equipment manufacturer (OEM) to customer throughout the world mostly Europe and the Middle East.

Quality check and control takes place at every step of our production from raw material to finished product. By applying HACCP and GMP codex, we offer our customers a high quality product.

**OUR FACTORY :**

**• CANS MANUFACTURER**

Our company have been involving in canning industry for more three decades. We started our business as a can manufacture by producing empty cans to supply to both local and abroad canneries. Later on, we expanded our business to cannery. At present, we have our own empty can production line, canned pineapple factory, and canned seafood factory located in 2 different regions of Thailand.

**• CANNED FRUIT MANUFACTURER**

Our canned pineapple factory is located in Pranburi District of Prachuap Khiri Khan Province where most of the pineapple fields were grown. Our factory specializes in producing canned pineapple irregular pieces (hand cut) and canned fruit cocktail. Our products are currently exported to Europe, Middle East and Africa.

## • CANNED SEAFOOD MANUFACTURER

Our canned seafood factory is located in Chachoensao Province. We use the best quality seafood from both local and abroad. Our current and specialized products are canned tuna and canned sardine/mackerel. Both of them are available in oil, brine, spring water, tomato, or your own recipe.
