YET?**

Bite into a range of novel
chocolate experiences

SVIZZLE brings you a curated range of delectable swiss chocolates that are made with Love. Love for the environment, Love for farmers who grow the raw materials, Love for your health, and Love for your taste buds with our unique svizzilicious taste.

Organic & Vegan

In choosing Svizzle Organic chocolate you are choosing to avoid chemical fertilizers, pesticides and other genetically modified organisms. All ingredients in our chocolates are grown organically and meticulously sourced from certified vendors and farmer co-operatives. Being dairy-free and having no animal ingredients or additives present, Svizzle chocolates are classified as High-Quality Vegan.

No Added Sugar Chocolates
Your guilt free indulgence

Have you been avoiding sugar-free chocolates because the way they taste, and in particular they are not Organic? Well, say hello to Svizzle Organic No Added sugar bars! We have crossed out all excuses that keep you grabbing your favourite bar of chocolate.
