# WHO WE ARE

**TopNut** is a private company founded in Hong Kong, where it is recognized as one of the major supplier of dried fruits in particular pistachio, raisin and figs and other Nuts in the world.

TopNut is one of the largest pistachio trades in Hong Kong. With the operation team in many places over the world. We trade more than 10,000 tons of pistachios in different varieties annually. The main focus of the company is to ensure **food safety** and quality. We are one of few companies that offer **organic** pistachios with guaranteed pesticide free analysis. As a knowledge-based-organisation, controlling Aflatoxin at every stage of production from harvesting and post harvesting to packing is our top priority. TopNut is registered as international quality assessed organisation under Accredited Certification and audits from USA and UK. We provide unbiased, timely market information and reliable long-term contracts with the highest level of integrity, reliability, and service in our association. With the experience of having a range of customers worldwide, TopNut supplies premium pistachio nuts based on customers' quality demand and target price.

With over 2 decades of experience in this field of business, TopNut supplies premium pistachio figs and raisins based on customers' quality demand and target price.

# TOP NUT REVENUE

# OUR MISSION

With our advanced processing facilities located in our factory, TopNut is able to supply superior quality and best priced pistachios to a highly satisfied global market. To accomplish this mission, an efficient monitoring system has been established in factory.

Our dedicated teams ensure that:

The crops are harvested on time, and processed immediately after they have been harvested. The machinery is cleaned fumigated and serviced on a regular daily basis.

Processed products are sorted, dried and properly stored.

Intensive pest monitoring and prevention program according to international standards.

All products undergo a test, hold and release program ensuring compliance with specifications. Capability to adhere to E.U. and other international testing protocols.

Choosing the best shipping option to deliver the cargo to the customers on time.

## Pistachios Specification

Grades	Superior Grade	Excellent Grade	Grade1	Grade2
<b>Shell Defects (%)</b> <b>(Allowable tolerances by weight)</b>				
Closed shell and blanks	1	2	3	5
Blanks	0.5	0.75	0.75	1
Adhering hull	0.5	0.75	1	1.25
Stained shell	1	1.5	4	5
Deformity )incl. opened from bottom(	1	2	3	5
Slightly open in-shell	5	10	18	25
Total shell defects	7	13	22	28
<b>Kernel Defects (%)</b> <b>(Allowable tolerances by weight)</b>				
Loose kernels	1	2	2.5	3
Pest damage	3	4	5	5
Obvious pest damage	1	2	3	3
Total kernel defects	3	4	5	6
<b>Other Defects (%)</b> <b>(Allowable tolerances by weight)</b>				
Foreign material <sup>1</sup>	0	0.3	0.4	0.6
Foreign material excluding shells	0.2	0.2	0.25	0.25
Non-uniformity of variety <sup>2</sup>	1	2	3	4
Non-uniformity of size <sup>3</sup>	1.5	1.6	1.8	2
Maximum Moisture Content	<5	<5	<5	<5

1. Foreign material: Glass, metal and live insects are prohibited. Acceptable foreign materials are pistachio related debris such as hull, stems, shells and sand.

2. Non-uniformity of variety: The percentage of round pistachios in a sample of long pistachios or vice versa.

3. Non-uniformity of Size: Ratio of the total weight of the 10 largest nuts in a sample of 100 nuts to the weight of the smallest 10.
