About Us

Welcome to Paavan, where our commitment to a sustainable future drives everything we do. Born out of a deep concern for the escalating issues of pollution and environmental degradation, Paavan is dedicated to making a positive impact on the planet. Our focus is on providing eco-conscious solutions, and our line of bio-degradable and eco-friendly bagasse tableware stands as a testament to our dedication. With every product, we aim to contribute to a greener future by offering alternatives that minimize the environmental footprint.

As a company, our vision extends beyond merely providing sustainable products; we aspire to lead the way in the manufacturing of natural plant fiber based and other environmentally-friendly packaging solutions. At our state-of-the-art manufacturing facility in Bichoon, Jaipur, Rajasthan, we produce a range of items, from disposable food containers for restaurants to burger boxes and single-use plates for events. Our commitment to quality is unwavering, thanks to our skilled workforce, experienced management, and years of expertise in the pulp molding industry. Paavan is not just a brand; it's a transformative force, urging a shift in perspective and contributing to a healthier, happier environment for all.
