

P.K. OVERSEAS (P) LTD.

# About Us

P.K. Overseas started in 1980 as a rice trading company under the leadership of Mr. Prem Manchanda. Since then we have grown exponentially. Today we have 3 state of the art advanced industrial plants by internationally acclaimed Buhler, with a production capacity of 600 M/T everyday. Our products are available in 30+ countries - appreciated for its mellow flavours, rich aroma and refreshing taste. At P.K. Overseas we promise to offer high quality rice manufactured under unmatched expertise.

Three State of the art rice milling plants  
by internationally  
acclaimed Buhler

# Our Strengths

- Excellent & Strong Customer Base widely spread in number of countries & is ever growing. Our ever increasing satisfied customers are our biggest asset.
- State of the Art Rice Milling Facility equipped to process and pack large volumes of all varieties of rice.
- Murthal Rice Mill has Sufficient Storage Capacity, comprising of 100000 MT in Silos & Godowns. In addition we have adequate storage space available for Rice Paddy on open plinth areas.
- Our Rice Plant has been accredited by international QC Agencies, ensuring compliance befitting EU / North American GMP standards.
- Our Brand – INDIA SALAAM is a well known name in the rice market world over for its consistent quality & world class packaging right from 1 kg. till 20 kg. in metallic laminates.
- Recognizing the need of the international markets for different price points we have strong other well known brands like SALAAM AL HIND & MANSA. These brands have carved out their own important place in the respective markets.
- Our list of clientele also include some big house brands of leading multiple stores since we are known for quality and consistent supplies.
- We have been enjoying the status of ‘3 Stars’ Export House, bestowed by Government of India.
