Regency Teas was founded in the year 1997 and specializes in the production of value added teas (retail ready products). Currently with a production output of 75 million tea bags per month, we are one of the top tea export companies in Sri Lanka with exports to over 35 countries.

Our highly experienced team of tea tasters grade over 8,000 lots of tea per week & taste over 500 cups of tea per day, identifying & selecting the right type of teas to ensure exquisite taste, color and aroma in our products.

Our office with extensive tea tasting facilities is located at the boundary of the commercial capital of Colombo. Our tea packaging and storage facility is equipped with infrared tea cleaning technology, knotted tea bagging machines and automated production lines. Our tea bagging facility is equipped with the latest tea bagging machines from Germany, Italy and Japan and are capable of producing many different types of tea bags.

Our factory is accredited with ISO 22000, FSSC 22000 (recognized by the Global Food Safety Initiative – GFSI), Good Manufacturing Practices for Food and Dietary Supplements. In addition we are licensed to manufacture products with USDA Organic, EU Organic, Rainforest Alliance, Kosher and Halal product certification programs.
