TRULY CEYLON®
PREMIUM QUALITY TEA

2024

Regency Teas was founded in the year 1997 and specializes in the production of value added teas (retail ready products). Currently with a production output of 75 million tea bags per month, we are one of the top tea export companies in Sri Lanka with exports to over 35 countries.

Our highly experienced team of tea tasters grade over 8,000 lots of tea per week & taste over 500 cups of tea per day, identifying & selecting the right type of teas to ensure exquisite taste, color and aroma in our products.

Our office with extensive tea tasting facilities is located at the boundary of the commercial capital of Colombo. Our tea packaging and storage facility is equipped with infrared tea cleaning technology, knotted tea bagging machines and automated production lines. Our tea bagging facility is equipped with the latest tea bagging machines from Germany, Italy and Japan and are capable of producing many different types of tea bags.

Our factory is accredited with ISO 22000, FSSC 22000 (recognized by the Global Food Safety Initiative – GFSI), Good Manufacturing Practices for Food and Dietary Supplements. In addition we are licensed to manufacture products with USDA Organic, EU Organic, Rainforest Alliance, Kosher and Halal product certification programs.

A culmination of years and years of experimentation in taste went into creating this unique blend of the purest Ceylon tea. Grown in both the misty hills and the sun-beaten south of Sri Lanka, our English Breakfast tea's finely balanced strength, flavour and aroma, makes it the perfect 'wake up' for the senses. Enjoyed with or without milk or sugar.

50019

Earl Grey tea has its origins in a blend of tea and bergamot, a tea originally created by a mandarin master blender as a gift for the Earl of Grey. Upholding this tradition, our experienced master blender combines the finest of single-origin Ceylon tea with the very best bergamot to create a masterpiece of taste. Enjoyed with or without milk or sugar.
