The logo for 'me milk' features the words 'me' and 'milk' in a white, rounded, sans-serif font. 'me' is positioned above 'milk', and both are contained within a dark blue, three-dimensional oval shape that has a slight shadow and a highlight, giving it a pill-like appearance.A green banner with a white dashed border, resembling a ribbon or a piece of fabric, is draped across the middle of the image. The word 'Margarine' is written in a white, elegant, cursive script font across the center of the banner.
