

Bar production and development

Protein | Müsli | Nut | Fruit | Flapjacks | Cereal

Bars under a private label

We are one of the most significant producers of bars in the area of Central Europe with a strong regional tradition.

- Over 30 years on the market
- Export to more than 20 countries
- Supplier of some of the largest European retail chains under private labels
- Over 200 hectares of own fruit orchards
- Emphasis on local resources
- Modern, automated production with the highest quality certifications

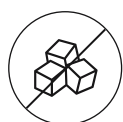

Tailor-made **bars**

We are able to produce bars exactly according to your ideas. Thanks to modern technologies in our production, you can choose from several options of bar modifications.

- Decor
- Sprinkles
- Dipping
- Multilayer bars
