### Easy & safe handling

Get clean oil in approx. 5 minutes. Put VITO in the fryer at service temperature. Push the button and you're done!

### Constant quality

VITO ensures you always fry in clean oil which means great quality fried food.

# The VITO effect

## What is VITO doing?

Used daily, VITO filters remove food particles and carbon from your frying oil.

Frying in clean, filtered oil will result in a better tasting and better looking fried product.

Oil life increases and workload decreases due to less oil changes and fryer cleanings.

# VITO portable
