With Respect
towards the Professionals

Farm Mitsopoulos®

OUR STORY

With over 50 years of experience in the field of meat and standardization, we at Mitsopoulos Farm continue to invest significantly in the design and creation of new innovative products in order to ensure the success of our partners in the food service and retail industry.

Our name inextricably linked to the tradition of meat in harmony with today's modern food trends.

We are well positioned for growth into new markets, and welcome opportunities for business development and new partnerships.

We Know everything about meat!

OUR PHILOSOPHY

The philosophy is demonstrated through a great range with more than 50 products, covering all the different types of the individual needs of professionals in the field of the food service industry.

The professionals will find excellent quality marinated gyros, skewers in different cuts, premium burgers, traditional recipes in delicious kebabs, juicy burgers, stuffed meat products, grilled and breaded meat products.

OUR INNOVATION

A team of technical advisors can help in the management of your products, always striving for the best results.

«Respect towards the professionals» is our main focus so that we build long-lasting relationships of trust.

Join us and let's create together the **success story** of your business.

Innovation, flexibility and utmost quality.

Different types of meat such as, beef, chicken and lamb, in different cuts and with distinctive recipes, that cater the needs of the modern professionals.

- Exceptional ingredients and consistent quality
- Excellent taste characteristics
- High product yield
- Integrated control framework

The high “product yield” is a significant benefit and profit for the professional.

GYROS

BEEF GYROS

The Gyros from Mitsopoulos Farm “encloses” all of the knowledge, the philosophy about meat, as it surpasses all of the limits regarding quality, taste and performance.

The excellent ingredients are further highlighted using authentic recipes that are based on the herbs of the Greek land and special spices.

The handmade production, attention to detail and care at every stage, ensure a final product of consistent quality and performance, aiming at the development of the professional.

SKEWERS

• CHICKEN • BEEF • LAMB

HANDMADE SKEWERS

Delicious skewers using 100% Greek chicken meat. Tender fillets of breast and thigh are seasoned with fresh herbs that bring out all their aromas during cooking. Selected lamb cuts, properly marinated, give a taste and flavor in skewer, that is full and rounded. Beef skewers from top quality cuts, with juicy texture and lasting flavour.

With respect to quality...
