## Why Bliss?

- ❖ **Well-Established Supply Chain:** We own two manufacturers in China, and we directly work with growers domestically and internationally to ensure premium quality, competitive pricing, and consistent supply. We control the entire supply chain, from sourcing raw material. production. packaging. storage. and transportation to keep efficiency and remain competitive.
- ❖ **Product customization:** We specialize in OEM and Private labels. Our experienced team is skilled in offering customized solutions to meet your exact needs, including product sourcing, packaging, labeling, and logistics.
- ❖ **Competitive Pricing:** Through our extensive industry knowledge and strong relationships with suppliers, we are able to offer competitive pricing without compromising on quality. Our aim is to help you achieve cost-effective solutions while maintaining the highest product standards.
- ❖ **Diverse Product Range:** We offer an extensive selection of seasoning products, including but not limited to Chillis, Sichuan Pepper, Black peppers, Curry leaves, Turmeric, Ground cumin, Basil, Cinnamon, Paprika, Garlic powder, Oregano, and more.
- ❖ **Stringent Quality Control:** Quality is our top priority. We work closely with our network of trusted suppliers, domestic and globally, and conduct thorough inspections to ensure that all our products meet the highest industry standards.
