Dost Findık, a family owned company, is one of the leading companies in the hazelnut sector. Its roots can be traced back to 1987 when the company started to actively participate in the hazelnut sector under the brand of "Atikler".

Dost Findık produces all types Turkish hazelnut, where 80% of the total world production is made, by using state of art technology in hygienic conditions.

The combination of future oriented investments and proactive planning for expansion were contributing factors, which resulted in a significant market share.
