The journey of Maroli has started long back in 1960's

The journey of Maroli has started long back in 1960's, when our grandfather who was a shepherd in Tekirdag, Turkey, went to Dusseldorf, Germany as a guest worker leaving his 5 kids and wife back in the village. He became a worker there. After 3 years he brought his oldest son Huseyin Kuru to Dusseldorf. In 1980 Huseyin Kuru established Marmara Import-Export GMBH in Dusseldorf, seeing the up rise of food needs of the Turkish population in Dusseldorf Germany and following years he brought his 3 brothers from Turkey to run the company together. Marmara GMBH focused on importing food from Turkey to rising Turkish population in Germany. Also olives were first imported by our company in Germany from Turkey.

Following which, MAROLI (Marmara Olives) saw its first sun in Aydin, Turkey.

Kuru brothers started their own Table Olive production factory MAROLI in 1995 in Aydin, Turkey.

Owing to years of hard work, we can proudly state that we are honored being one of the foremost producers and exporters of premium quality olives in Turkey.
