about us

Bakgörler Food is founded in 1999 by Bakgor Family, through the forces of the sister companies in Construction and Energy industries which are the regional leadership in the sectors, the investment objectives by entering the new and modern technology in to the industry. As an Entrepreneur company that has managed to manufacture all kinds of coffee group; any powder beverages (Regular Coffee, Instant Coffee, Traditional Coffee, Hot Chocolates, Cupboard products etc.), additional to Coffee; capable of producing chocolate wafer ball with covered nuts varieties' manufacture; We are proud to have the knowledge and experience of an integrated facility from raw materials to finished consumer product. On Today, Bakgorler Food became a leading in Private Label of Coffee sector in Turkey and begun to export sales in 2017.

Now we are in 37 different countries by our own brands and Private Label.
