ABOUT US

Founded in Singapore, Tong Garden after an arduous journey of over 60 years, became a household name in Southeast Asia with a wide range of products. Tong Garden as a brand has flourished across diverse markets.

Launched in India in 2009, Tong Garden commenced with the a host of innovative, delightful & refreshing products, right from nuts to seeds, chestnuts to dried fruits. Today, Tong Garden has earned the reputation of being the best healthy snack producing brand in India.

Beating competition, we continue to rank as the most preferred brand when it comes to healthy nuts, snacks, and dried fruits Tong Garden is committed to producing top quality food products for our consumers whilst ensuring great taste and retaining health benefits of all products using advanced technologies for processing through consistently upgraded facilities.

At Tong Garden, we are serious about the quality of the products we serve. We put extra efforts to explore for the most exquisite ingredients and produce from all over the world. Raw produce is procured from Australia, Brazil, California, Iran, Nigeria, New Zealand, and other leading markets without compromising - quality, freshness, and edibility. It is our endeavor to deliver the best products to our consumers.

Honoring our humble beginnings and after consistent efforts, today we take pride in being the largest nut and snack company in Asia
