About Company

Founded in 1962, Naga Limited has grown to be a Rs.2000 crore company and the largest flour milling company in India. We have strived to become an integral part of global consumer food chains, serving across geographic, demographic, and cultural taste preferences through 50+ product variants by smartly integrating everything from sourcing the finest quality wheat directly from farmers to manufacturing our products with the highest quality standards in our factories.

Our Advantages

- 1) Maintaining Quality with a production capacity of 1275 tones per day, We are India's largest completely automated Buhler Switzerland flour mill.
- 2) Giving Consistency with the largest private wheat storage facility in India, featuring a 77000-tonne silo complex to monitor and protect wheat quality all year.
- 3) DSIR - certified research and development lab and facility for Assurance of Product.
- 4) Farm to Palm solution centered around smart integration of supplies from direct farmer sourcing to end customer service to bring value and add benefit to everyone.

Awards & Recognition

- 1) One of Top 10 Flour Mills in India by Industry Outlook Magazine in 2023
- 2) The Best of Bharath Awards 2022 by the E4MPride of India 2022
- 3) India's Emerging 100 Brand by ABP Network in the Year 2021
