

EAT HEALTHY

RICE UNL EAS HED.

Seed is Sown

The driving force behind Veetee Rice... Moni Varma, founded the company in 1987 and from its humble origin as a producer & supplier to the ethnic market in London.... Veetee Rice has evolved as one of the most reputed and dependable suppliers of Basmati Rice across the world.

Veetee Fine Foods Ltd. was established as a 100% export - oriented unit in 1992 and was one of its kind in India. Over the years Veetee has gained an unrivalled reputation for innovation, leading the market in new product and pack development.

To cater the demands of new era Consumers looking for convenience & safety, Veetee ventured into "Ready to Eat (Ready / Microwaveable Meals)" and "Ready to Cook (Paste, Sauces, etc.)" Product segment with the commissioning of state of art production facility.

Exporting its products to more than 40 countries worldwide and having large production facility in both developing & developed world "VEETEE ISTRULY A GLOBAL FORCE".

5 Ps Mantra

Procurement of best quality raw material.

Preservation of raw material in most hygienic conditions.

Processing of raw material in Hi-tech machines.

Packaging of product in high standard packaging material.

People working as a team.

In Pursuit of Perfection

With the most modern facilities, strategically placed in the Basmati rice producing region of the globe, Veetee Fine Foods Ltd. is well placed to supply quality products and tackle the challenges of increasingly complex nature of world trade. The consistent quality of the Veetee's product range, is ensuring that more and more consumers are getting associated with us and becoming our 'Brand Ambassadors'.

Rice Manufacturing

In some parts of the world, the word "to eat" literally means, "to eat rice". While each country has its own distinct variety viz. Indian Basmati, Thai Jasmine, Italian Risotto, Japanese Sushi Rice, Spanish Paella, Wild Rice etc., the base of a lot of global meals remain rice.

Veetee Fine Foods Ltd., which came into existence in 1992, is today one of India's major producer and marketer of fine quality Basmati Rice, With its most modern production facilities, result oriented team of professionals and a stringent quality control, it has all that takes one to reach the pinnacle.

Our belief imparts us the strength to approach the future with confidence, as more and more people discover the great taste of our finest rice.
