PRESENTATION

Get to know São Salvador Alimentos

São Salvador Alimentos S/A – SSA is a major player in the global market of poultry and related products and one of the largest food companies in Brazil. With 33 years of experience, knowhow, entrepreneurial spirit and solid partnerships, SSA has consistently gained share in the international market, offering quality and innovation to costumers, partners and consumers.

Full costumer satisfaction is one of the company's priorities, therefore SSA heavily invests in equipment, technology and human capital to improve and ensure excellent quality products. The company is inspected by the **Federal Inspection Service (SIF 3404 and SIF 3694)** and complies with internacional market demands, providing products according to the regulation of each country.

SSA's leading-edge industrial park has three hubs:

- Slaughterhouses – able to slaughter more than 500 thousand birds per day;
- Feed mill – which produces more than 185 tones per hour;
- Hatchery (one of the most modern in Latin America) – which can hatch more than 11,4 million eggs per month.

SSA generates more than 21,000 direct and indirect jobs. With more than 26,000 clients, the company exports to more than 77 countries and has credentials to export to more than 170 countries. These figures confirm the company's sustainability philosophy, aligned to the social development of the regions surrounded by it.

Our Culture

Who we are?

Doing the Right Thing, Doing it Well and Doing it Together are the **Commitments** that guide our culture and are present in the daily actions of the more than **8 thousand employees of São Salvador Alimentos (SSA)**.

Our **Belief** is to be a global reference in sustainable and innovative food production to transform realities.

From the interior of Goiás to the world, **50 years of history have passed in Brazilian poultry farming and 33 years in the industrial sector** in food production. We are one of the main chicken meat producing companies in Brazil, operating in all stages of the production chain, from breeders and production of fertile eggs, to the distribution of fresh and processed products.

SSA has the **Boua** and **SuperFrango** brands, serves more than 26 thousand Brazilian customers and is present in 77 countries. Therefore, we believe that **Producing food with love transforms the world!**

Beliefs and Commitments

Doing the right thing is the only path. We fulfill our promises and don't shy away from our responsibilities.

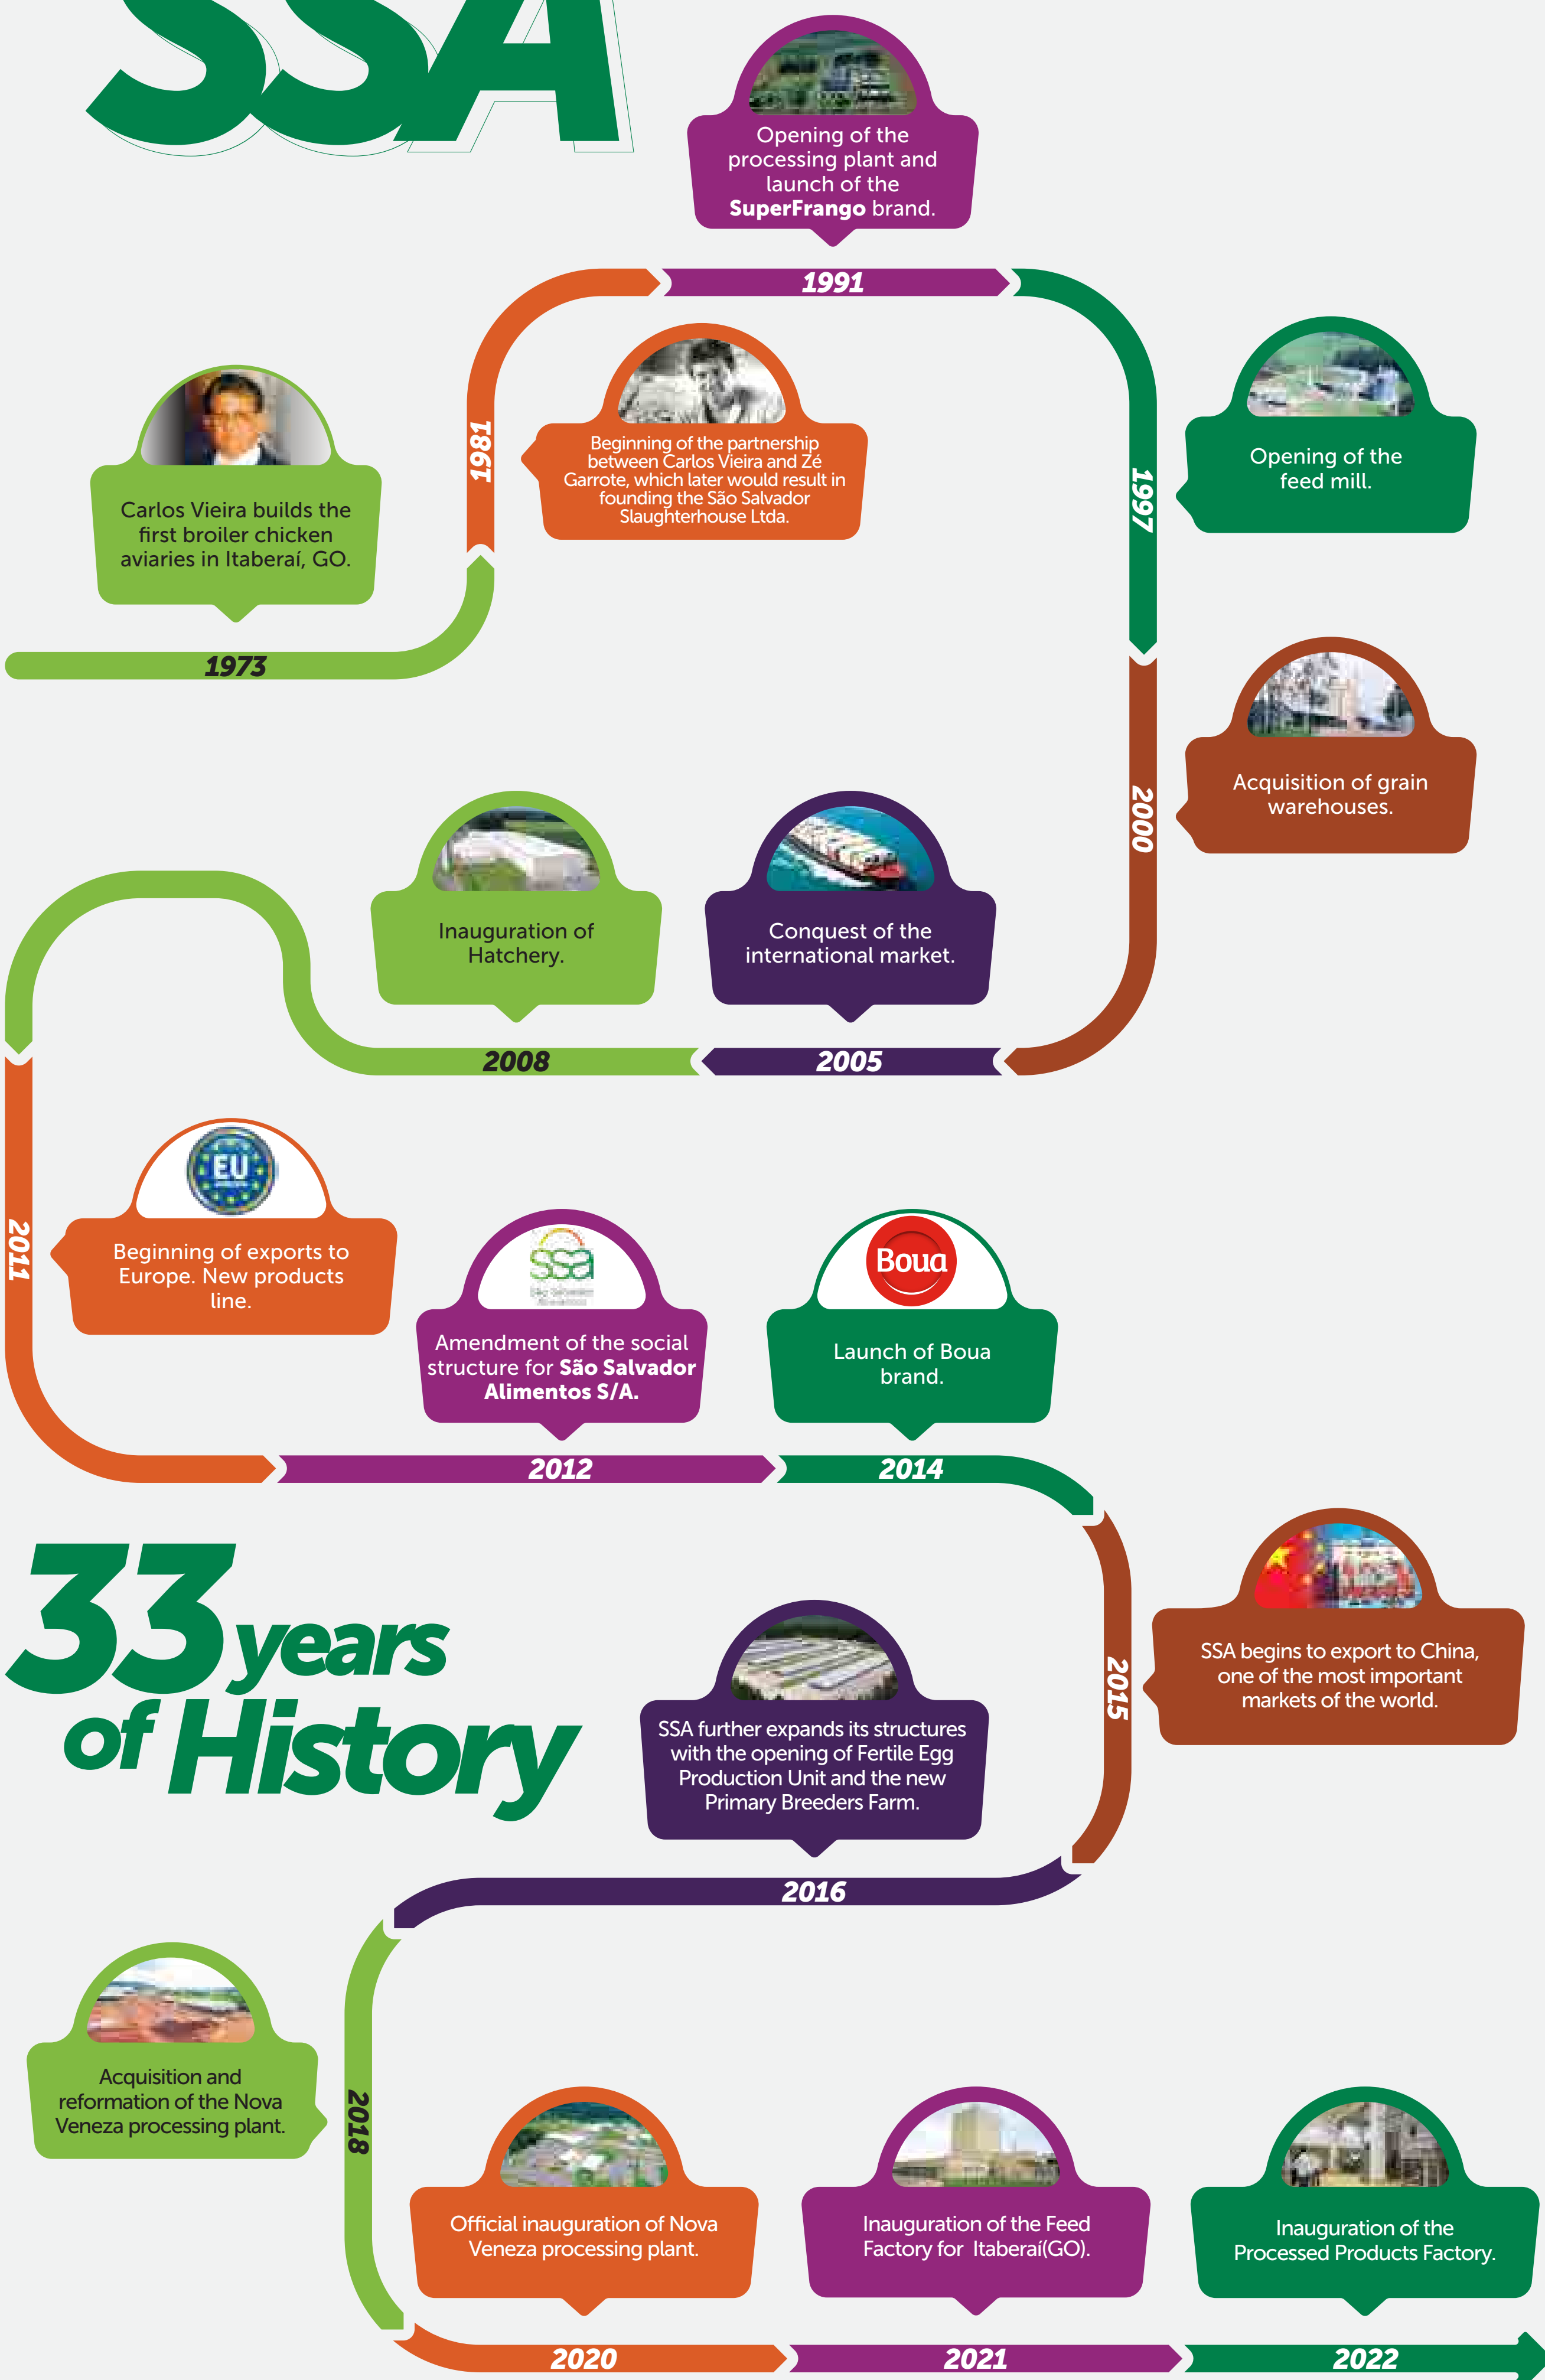

Doing it well is simplicity in service of efficiency. We have a sense of urgency and strive for quality because it's what we do.

Doing it together is valuing people. We care and trust. We persevere through challenges and celebrate our achievements.
