ZZ

STORY

when we first started our journey

Seven Spices has deep roots in the development, production & marketing of seeds, spices, herbs and agricultural products. Our history began in 1955, when the Bawadekji family started their business in Aleppo, Syria as a family growing business. Along the decades, the results were so positive that the business expanded to Turkey & Egypt. Al-Tahuna currently is our sister company, and one of the most famous corporations in Syria & Turkey that is specialized in importing, exporting & marketing a wide range of natural products.

03

Story

MISSION

Our key strength lies in commitment. As quality and customer services are on top of our priorities, delivering best products in terms of quality and price is our main goal.

VISION

what we aim to achieve locally
& globally

To expand our business by exporting seeds, herbs and spices all over the world. Thus becoming one of the most famous market leaders in the field of agricultural commodities. In the upcoming years, we aim to provide small packs for home usage.

05

Approach

RESPONSIBILITY

We recognize the importance of respecting the environment and are committed and determined to make the difference in the world through our concerted efforts towards sustainable development in the market.
