

## Drink Fresh Drink Nature

It's time to treat yourself differently, go SUNTANA all the way.

Imagine Oasis in the middle of the desert, that's what Suntana is. Suntana fruit juice is another best-selling product of the company. It is currently among the highest selling fruit juice drink in Western and Eastern African region. Suntana fruit juices are produced from 100% fresh fruits grown in Thailand, and in order to distinguish our products from the market competition, we use only the fruits during its peak.
